The types of activities vary depending on the weather, river conditions being suitable, covid and the availability of volunteers. The Meet relies on those with skills contributing – please let the organisers know if you are able to assist in training / run leading / organising “après-canoe” etc.

Those that have been before will be expected to assist with stewarding etc, if not otherwise contributing to running of the event.

Offers of help by newcomers will be very welcome.

Please note there are no Electric Hook ups on this site.

Water, Hot Water, Dishwashing & CDP are available at the club house
Toilets and showers are available at the club house and Sea Cadets building
